The Ohio State University College of Veterinary Medicine is pleased to announce the Buckeye Vet Exploration Day for current undergraduate students interested in pursuing a career in veterinary medicine.

Attendees will gain hands-on experience through a variety of wet labs, tour the veterinary medical center and learn about the veterinary profession, admissions and student life.

Special Appearance by: The Columbus Zoo and Aquarium

The cost is $35 per student (includes: 2 wet labs, a giveaway and lunch)

Saturday, September 24 at 8:30 a.m.-5:00 p.m.
Veterinary Medicine Academic Building (VMAB), 1900 Coffey Road, Columbus, Ohio 43210 (614) 292-1171

For a schedule, details and a list of wet labs, please go to: http://go.osu.edu/vetexploration
