

# 2017 Omega Tau Sigma Veterinary Explorer's Program

The Veterinary Explorers would like to invite area high school students interested in the field of veterinary medicine to join our program for the 2017-2018 academic year! Student members will have the unique opportunity to learn about a career in veterinary medicine.

Members will meet once a month for hands-on labs and lectures focused on providing students with valuable experiences to guide them in their education. This is a veterinary student-run program affiliated with the Omega Tau Sigma Veterinary Fraternity here in Columbus. Meetings will be held primarily on The Ohio State University College of Veterinary Medicine Campus and students will have the opportunity to learn from OSU veterinarians who are the experts in their field of study!

- Cost: \$40 per student (one-time only fee)
- Date: Monthly meetings will typically take place in the evening the last week of the month. Meetings are generally in the evening.
- Location: The Ohio State University, College of Veterinary Medicine, 1900 Coffey Road, Columbus, Ohio 43210
- Questions: [vetexplorers.ots@gmail.com](mailto:vetexplorers.ots@gmail.com)
- Website: <https://vet.osu.edu/OTSVet>

\*\*\* A mandatory introductory meeting will be held in late September at The Ohio State University, please fill out the form before **Monday September 10th** to ensure you receive your invitation \*\*\*
