

Skin and Ears (Dermatology and Otology)

Clinical Trial: Hearing Study

Species: Dogs (Cavaliers King Charles)

Requirements to qualify for enrollment:

- Be a Cavalier king charles spaniel dog.
- A pedigree is required.
- Has no hearing problems.

What you will receive for participating:

Procedures included are:

- Hearing testing (BAER test).
- Computed Tomography (CT) scan.
- Magnetic Resonance Imaging (MRI).

The study pays for all these tests.

A pedigree is required for entry into the study, but will be kept confidential. Details of the study will be given individually via email.

Your pet could be a **Pet Hero**, too!
