Veterinary Medical Center Wish List

Neurology

Any Amount – Educational Support (Top Priority)

Provides funding for travel to educational conferences for technicians, residents and faculty. National training events for continuing education range from $1,000 to $3,000 for faculty and technicians.

Any Amount – Research Funds

Research funds for small clinical studies by faculty, residents or students. Often money is needed to do a small research project to gather enough information to apply for larger funding opportunities.

$5,000 – Sponsor a Resident

Sponsor a resident by assisting with the cost of books and continuing education. This gives our residents the opportunity to learn the latest information and to present the results of their research at national meetings and short courses.
